

Flower Press Interactive Recognized as a Clutch Global Leader for Spring 2024

Flower Press Interactive named a top B2B company for custom software development services

Washington, May 2024 — Flower Press Interactive, a full-service, woman-owned, digital product design and engineering studio based in Seattle, today announced its recognition as a 2024 Spring Global Award winner for custom software development services on Clutch, the leading global marketplace of B2B service providers. Honorees are selected based on their industry expertise and ability to deliver scores calculated based on client feedback from thousands of reviews published on Clutch.

Flower Press Interactive is honored to be recognized as a 2024 Spring Clutch Global Award winner. This award is a testament to the excellent client work we have delivered this year as recognized through the voice of our customers in their reviews on Clutch. We're proud to be recognized as a custom software development leader on a global scale. Clutch Global Awards showcases the very best in the B2B services industry worldwide.

“Flower Press Interactive is dedicated to working with mission-driven companies,” said founder Khaiersta Flowers English. “Our mission revolves around uncovering product insights to enhance the quality of websites, apps, and experiences for these companies, enabling them to achieve greater success.”

“It is a joy to witness the incredible success of leading companies worldwide on our platform, and an even greater joy to recognize these companies as Clutch Global honorees,” said Sonny Ganguly, Clutch CEO. “Their dedication to delivering next-level services to clients has not only bolstered their own success but empowered numerous clients to thrive as well. In recognizing this spring’s Clutch Global honorees, we aim to showcase industry leaders and encourage connections for Clutch users seeking tailored services to achieve their goals.”
